

CERTIFICATE of COMPLIANCE RoHS DECLARATION

Dear Valued Customer,

Mobile Video Devices, Inc. affirms that the manufacturer's products we represent meet the requirements of the European Parliament and of the council of January 27, 2003 on the restriction of the use of certain hazardous substances in the electrical and electronic equipment; i.e. EU RoHS Directive 2002/95/EC.

The RoHS Directive restricts the use of certain hazardous substances which are known to pose health risks and cause damage to the environment, such as cadmium, hexavalent chromium, lead, mercury, polybrominated biphenyls, and polybrominated ethers.

Mobile Video Devices, Inc. is committed to the goal of working with responsible manufacturers, who are ready to meet environmental standards, domestic and international.

Sincerely,

Darryl Spangler
President
